

## Featured Specialist

**Theresa M.  
Stamato,  
MD, FACC**  
*Pediatric  
Cardiology*

Winner Regional is proud to welcome Theresa Stamato, MD, to our Outreach Medical Staff. Dr. Stamato's first onsite clinic is planned for July 13, 2009.

Dr. Stamato received her medical training at State University of New York Health Science Center and completed her pediatric residency at the University of Chicago and her pediatric cardiology fellowship at the Hospital for Sick Children in Toronto.

Pediatric Cardiology refers to the care of children with heart problems. Cardiologists are specially trained in finding, treating and preventing heart and blood vessel disease in children from infancy to adolescence.

For more information on Dr. Stamato, please visit [sanfordhealth.org](http://sanfordhealth.org). To make an appointment, please contact Winner Regional Outpatient Services at (605) 842-7155.
